Jaqui inquired about meetings/correspondence for the grads & parents for the next Grad class (2024). Grads should meet every couple of weeks, discuss & churn things over, then report back at the next meeting. An email will go out in a few weeks to Grad Parents, and generally there is a meeting for Parents & Grads in the Spring. Discussed some concerns about Grad at Jasper Park Lodge.

They were keen to be able to visit the schools and have brief tours around, to reminisce and check out past photos! Past and current teachers and principals enjoyed this opportunity to mingle with past grown students. Part of the Boards goal is to build communication with the community so this was fun and fitting!
